

# Field Day 2023-2024!

Field Day is Thursday, April 25th! Grades 3-5 will be having their events take place from 9:30-11:30 AM and Grades K-2 will be having their events take place from 12:45-2:45 PM.

Field day is so exciting for students! Each class will have teams of students and participate in 10 different activities. These activities will be taking place outdoors on the field and blacktop.

Students should be prepared to be outdoors. Please have your student bring the following:

- water bottle
- change of clothes (there are a few water stations - students will get wet)
- sunscreen (optional)
- hat (optional)

***Students will be participating in activities where they will get wet. If students do not wish to get wet, please advise their teachers beforehand.***

Students will be asked to wear a particular color to designate their grade level. Here is the list of grade levels and their colors:

- Kindergarten / Ms. Acosta / Ms. Jespersion - **BLUE**
- First Grade / Ms. Sterbentz - **RED**
- Second Grade / Ms. Carstens - **GREEN**
- Third Grade / Ms. Pecson - **GRAY**

**We encourage parents/guardians and family members to attend field day! Family members will enter and exit through the main office. They will sign in at the front office upon arriving. Families are welcome to stay from the start time through the ending time of their students field day. Once that grade level's field day is over, families can exit through the front office once again. Please note the grade level times below:**

**Grades 3-5 from 9:30-11:30 (Office will open at 9:10 am for arrival)**
