

Sue Morrow Elementary School School Organizational Team Minutes

September 17, 2021
7:30am

The following members were present: Angel Giarraffa and Laura Ringenbach. Nicole Carstens sat in for our licensed personnel member who retired and Annette Gartside sat in for our support staff member who was absent.

Ms. Ringenbach called the meeting to order.

Ms. Gartside discussed our current enrollment, which is at 460 as of count day on 9/10/21. This is coming in slightly shorter than our projected numbers. We are waiting for District information to come out regarding any staffing adjustments that our school will need to make. We don't anticipate having to make large changes, but the District will notify schools shortly.

Ms. Ringenbach briefly gave an update on our SPP/School Continuous Improvement Process. We have completed Event 1 and Event 2 with our team. The team consist of members from the administration team, licensed staff, support staff, and a community representative. School data was discussed regarding our previous proficiency rates, absenteeism, and our subgroup populations. Areas of need will be prioritized and the team will work toward facilitating consistency in our teaching practices school wide.

Ms. Giarraffa discussed new board members. We had one community member with interest. Elections for our licensed teacher(s) and support staff member will be done through the teacher's union. This process has not yet been started.

The meeting was adjourned at 7:40am.

The next meeting will be held on: TBD
