School Organizational Team Minutes

No members were present. A special meeting was held regarding SB178 money. Since school was already on break for the summer, all members were contacted by email.

Sue Morrow received \$48,000.00 in SB178 funds. The plan for the money needs to be submitted today. The funds need to be used to service the Tier I and Tier II students. Since the criteria for using the funds is so limiting, it was determined that the best use of the money was to partially fund Nina Johnson's position as she will be able to service all those students.
